

About Benmarks

Established in Brandon in 1969, Benmarks has evolved into a full-service sound and audio/visual company. Specializing in A/V solutions for corporate events, and the design and installation of state-of-the-art systems, Benmarks has become one of Manitoba's leading A/V suppliers.

Our experienced team of staff is known for their outstanding customer service, attention to detail, and for continually striving to exceed client's expectations. At Benmarks we are constantly researching new products, tools, and technologies, in order to provide our clientele with the most skilled technicians and up to date products available.

With over 35 years in the industry, Benmarks has the experience, knowledge and understanding to provide industry leading sound and audio/visual systems for events and venues of any nature.

Since 1969

Audio / Visual

Benmarks also provides audio/visual services.

Carrying over our long-standing reputation for providing quality systems and exceptional customer service in the sound reinforcement industry; we have been offering our clients this same level of service in the audio/visual industry for almost a decade.

We have an extensive inventory of screens, projectors, drape, lighting and everything else required to run a successful conference or convention.

With many items available for straight rental, as well as full event production services. We can supply you with the equipment you require for your next meeting, conference or convention.

Fairs & Exhibitions

***From the smallest show ring
to full grounds paging***

***You can be confident that your
message will be heard***

Benmarks offers a variety of outdoor sound systems designed for:

- ◆ Livestock Show Rings
- ◆ Grounds Information Paging
- ◆ Parade Floats
- ◆ Entertainment Stages

With over 35 years experience, Benmarks is the leader in providing sound reinforcement for agricultural events in Manitoba.

Having provided systems for many of the local, provincial and national events which have been held in our region, we understand the important role sound plays at your event.

We specialize in providing intelligible sound, even coverage and easy to operate systems designed for each event; ensuring that you have the right system for your needs.

Whether you need a single microphone, a full event package with on-site technical staff or something in between, Benmarks has the equipment to fit your needs.

Contact us to find out what services we can provide to help make your event a success.

Commercial PA Systems

Is your facility looking for a permanent sound system?

Benmarks can help!

We offer design and installation services as well.

Indoor or outdoor; commercial, industrial or agricultural, we have the experience and expertise to provide you with a system to meet your needs.

Is your sound system not working like it used to?
Have one of our service technicians pay you a visit.
